

CITY OF MELBOURNE RETROFIT SURVEY

2015 AT A GLANCE

MUNICIPALITY'S GREENHOUSE GAS EMISSIONS 2013-14

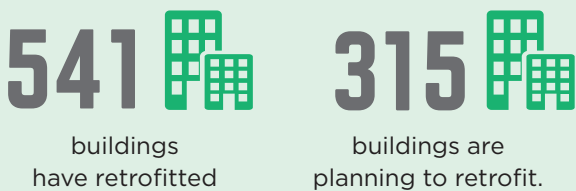

The 1200 Buildings and CitySwitch programs encourage retrofitting in commercial buildings.

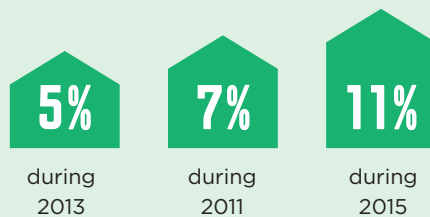

Every 2 years we measure the retrofit activity in the city and identify barriers and drivers facing commercial buildings in delivering retrofits. Here's some of what we learned in 2015

RETROFITTING ACTIVITY

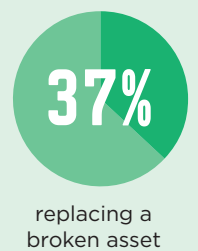

Since 2010

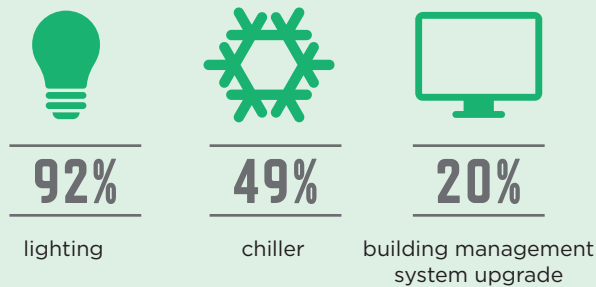

INCREASE IN RETROFITTING

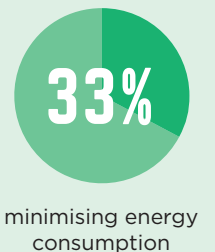

REASON TO RETROFIT

MOST COMMON UPGRADE

WHO'S RETROFITTING?
