

MAKING A GREAT MARKET EVEN BETTER

New Food Hall coming soon

We're constructing a vibrant and unique Food Hall, with more spaces to eat, meet and enjoy the iconic market atmosphere.

The new Food Hall will complement the heritage of the market and include a new roof structure, improved layout with more seating, greenery and added facilities.

The works, being undertaken under Heritage Victoria Permit No: P35301, include:

- New façade and canopy on Queen Street.
- Improved dining experience and layout to maximise seating, including new furniture and landscaping.
- New roof structure to replace the previous canvas 'tent' roof.
- Upgrades to air conditioning, lighting, toilets and new flooring.
- Replacement of the Victoria Street Terraces' slate roof.

Set to open in 2023, the new Food Hall will be a major drawcard for the market.

Thanks for your patience as we make a great market even better.
