I support the study and commend council undertaking this body of work. I believe there is merit in the council exploring the heritage significance of arcadia (built in 1999) which is identified as not significant to the precinct, however given its prolific architect and 'modern' ahead of the time design, there may be merit in assessing this place individually in its own right. can the council resolve to investigate it's significance as an individual place?

Agenda item title: *****	6.3 Opportunity for international engagement, Lord Mayor, COP 28, Dubai, November/December 2023

Please write your submission in the space provided below and submit <u>by no later than 10am on the day of the scheduled meeting.</u> Submissions will not be accepted after 10am.

Dear City of Melbourne,

This is a written submission in regards to the Future Melbourne Committee meeting of Tuesday 14 November, 2023, to be held at Melbourne Town Hall, located on Wurundjeri Country, in the Kulin Nation.

In particular this is a written response in regards to Agenda Item 6.3 Opportunity for international engagement, Lord Mayor, COP 28, Dubai, November/December 2023.

We respect elders past and present on Wurundjeri Country, including elders from other Aboriginal and Torres Strait Islander tribes.

The meeting is being held a week after the Sam and Anthony Freedman trained horse Without A Fight, ridden by Mark Zahra won the 2023 Melbourne Cup.

I support the recommendation from the City of Melbourne management team.

Lord Mayor Sally Capp should accept the invitation from COP 28 President Dr Sultan, and United Nations Secretary-Generals Special Envoy on Climate Ambition and Solution, Mr Michael Bloomberg.

This is a tremendous opportunity for the Lord Mayor to participate in a conference that will enable Melbourne to better integrate superior climate mitigation strategies into City of Melbourne's resilient approach to the challenges that climate change present.

When Councillor Arron Wood and Councillor Cathy Oke attended a similar conference in Paris years ago, their networking and learnings from that conference enabled Melbourne to position itself into a superior position in tackling the many problems associated with climate change.

Bloomberg Philanthropies will be covering the majority of costs for the Lord Mayor's participation in this event.

Victoria's first State Government botanist, Baron Sir Ferdinand Mueller would no doubt approve of Lord Mayor Sally Capp participating in COP 28, being held in Dubai.

We wish Lord Mayor Sally Capp an informative, exciting and educational experience that will help elevate Melbourne to greater heights in creating better climate mitigation solutions.

And we thank Bloomberg Philanthropies and their consistent support in this matter.

Best regards
Chris Thrum
